

Officiating Pedigree Analysis – NEW ZEALAND BROODMARE SIRES

Jane Henning (Pedigree Dynamics)

By Danzig's son Danehill, **DARCI BRAHMA** mares create a sex balanced duplication of Danzig, a desirable pattern for speed inheritance. Along with two lines to Northern Dancer in Darci Brahma's pedigree, Danehill also provides further lines to ALMAHMOUD. Darci Brahma's damsire Zabeel carries Nureyev and Val De Loir, both descendants of GOODY TWO SHOES, reinforcing Officiating's sire Blame and Sadler's Wells further back in his pedigree –also members of this elite family.

HIGH CHAPARRAL mares reinforce the famed mare SPECIAL, she being granddam of Sadler's Wells (also present in Officiating) and great granddam of Officiating's sire, Blame. High Chaparral's second damsire Kris is a brother to Diesis, who appears further back in Officiating. Bold Reason (damsire of Sadler's Wells) and Never Bend, both also duplicated in this mating, are half-brothers.

O'REILLY's grandsire Try My Best is a TORPENHOW family member, reinforcing Nijinsky II in Officiating. Try My Best shares several key ancestors with different sectors of Officiating's pedigree, creating a higher likelihood of positive inheritance. Like Blame's dam Liable, he carries a Northern Dancer / Buckpasser combination and like Dixieland Band (sire of Officiating's damsire), he carries a Northern Dancer / Traffic Judge cross. Never Bend, Northern Dancer and Princequillo are other notable duplications.

PER INCANTO is a son of Street Cry, who has proven compatibility with Officiating's sire Blame, having sired US G1 winner Wet Paint out of a Street Cry mare. Per Incanto's grandsire Machiavellian plus Halo and Northern Dancer are ALMAHMOUD family members, reinforcing the five lines to Northern Dancer in Officiating. Per Incanto's second damsire Try My Best boosts Nijinsky II in Officiating, both tracing to TORPENHOW. Delta Judge is sex balanced, while his sire Traffic Judge also appears as sire of Best In Show in Try My Best's pedigree.

PROISIR mares carry some key buildups for Officiating. His grandsire Danehill Dancer is out of a Sharpen Up mare, sex balancing this influence who is represented by son Diesis in Officiating. Proisir's damsire Encosta De Lago is by Fairy King, a brother to Sadler's Wells in Officiating as well as sharing Blame's third dam SPECIAL for further line breeding.

RELIABLE MAN is out of a daughter Sadler's Wells, creating a strong pattern with Officiating. Not only is Officiating's sire Blame a grandson of Sadler's Wells' half-sister, but he also carries Fort Wood – a son of Sadler's Wells to sex balance this influence. Blame's damsire Seeking The Gold is bred on a Mr Prospector / Buckpasser nick, emulated by Miswaki, damsire of Reliable Man's sire, Dalakhani.

Officiating offers **SAVABEEL** mares reinforcements to one of the most important families in his pedigree – the GOODY TWO SHOES family. Savabeel's sire Zabeel carries Nureyev and Val De Loir, which receive a strong genetic boost from Officiating. His sire Blame's second dam is a three-quarter sister to Nureyev – and close relation Sadler's Wells, present on Officiating's fifth remove. Nijinsky II, who is duplicated in this cross, works very well with Sir Ivor on Savabeel's sire line.

TAVISTOCK mares are strong in the GOODY TWO SHOES family, boosting fellow family members Blame and Sadler's Wells in Officiating. Tavistock's grandsire is Sadler's Wells and he carries two presences of another family member, Val De Loir. The duplication of Nijinsky II created in this cross will appreciate the presence of Blushing Groom on Tavistock's damsire Quest For Fame's sire line. These two have a recognised affinity.

VOLKSRAAD's sire Green Desert traces to COURTLY DEE, also the ancestress of Officiating's grandsire Arch. Arch's dam is by Danzig out of a Courtly Dee daughter, as is Green Desert, creating a very desirable Rasmussen pattern. Danzig is also desirably sex balanced.
